Docket No: 07009-00
10 January 2001

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: CWO [REDACTED], USN,
REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 12 Oct 00
(2) PERS-85 memo dtd 28 Nov 00
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show the lineal position, date of rank, and effective date in the grade of chief warrant officer (W-3) he would have been assigned had his promotion been approved without administrative delay. He specifically requested a date of rank and effective date of 1 October 1996 vice 17 December 1996.

2. The Board, consisting of Messrs. Chapman, McCulloch and Zs Salman, reviewed Petitioner's allegations of error and injustice on 4 January 2001, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Navy Personnel Command office with cognizance over the subject matter of this case has commented to the effect that Petitioner's request has merit and warrants favorable action. They recommend changing his chief warrant officer (W-3) date of rank (and by implication, effective date) to 1 October 1996. They also recommend adjusting his chief warrant officer (W-4) date of rank (and by implication, effective date) accordingly, to 1 October 2000 vice 1 January 2001.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected, where appropriate, to show his date of rank and effective date in the grade of chief warrant officer (W-3) as 1 October 1996, vice 17 December 1996.

b. That his naval record be corrected further to show his date of rank and effective date in the grade of chief warrant officer (W-4) as 1 October 2000, vice 1 January 2001; and that his lineal precedence be adjusted accordingly.

c. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

d. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
